Complaints Form

Four short sections. You do not have to use this form, but it makes sure we ask you nothing twice.

BEFORE YOU FILL THIS IN

You do not have to use this form. A phone call, an email or a letter all count and all start the same clock. The form exists because it collects everything in one go, which usually means we can answer you faster.

> **There is no wrong way to complain**
>
> Write it however you like. Do not worry about tone, do not worry about spelling, and do not soften it. We would much rather have it straight.

What happens to this form once it reaches us.

The clock, in one line each

☐	Acknowledged	Within 3 working days, in writing
☐	Answered	Within 10 working days, in writing

☐	Reviewed by a second director if you ask	Within 20 working days
☐	Kept in the complaints register	For six years

SECTION 1

Who you are

So we can get back to you

Your name	
Business name	*if this is about work we did for a business*
Address	
Postcode	
Mobile	
Email	
How you would like us to reply	*phone, email or letter*
Best time to ring you	

Are you

☐ A client ☐ A former client ☐ An employee

☐ A subcontractor ☐ Somebody else

If somebody else, your connection to Klyara	
If you are complaining on somebody's behalf, their name	
Do you have their written permission?	*we will need it before we can discuss their affairs*

SECTION 2

What happened

In your own words, with dates

Tell us what happened, in your own words. If it helps, work through it in order — what you expected, what actually happened, and when you first noticed.

What happened
Use as much space as you need. Continue on the back or on another sheet.

When did it happen?	*a rough date is fine*
When did you first notice?	
Who did you deal with?	*if you know*
Have you raised it with us already?	*yes or no*
If yes, when, and with whom?	
What were you told?	

What kind of thing is it?

Tick anything that applies

- ☐ A deadline was missed
- ☐ An invoice or fee
- ☐ How we spoke to you
- ☐ Something else
- ☐ The work was wrong
- ☐ We were slow to answer
- ☐ Something about your data

Anything you are sending with this form

Emails, letters, invoices, screenshots. List them here so we can tick them off.

This is the most useful question on the form and the one people most often skip. Tell us what would actually resolve it. It is usually simpler and cheaper than we would have guessed.

What would put this right?

An explanation, an apology, the work redone, a fee credit, or a change to how we do something. Say what you actually want.

What we can and cannot do

WE CAN	WE CANNOT
Explain what happened, honestly	Undo a filing deadline that has already passed
Redo work at our own cost	Overturn an HMRC decision
Credit or refund a fee	Give you legal advice about a dispute
Change how we do something	Discuss another person's affairs without their consent
Put you in touch with the ICB or the ICO	Speed up HMRC

If a deadline is at risk while this is being sorted out

Tell us on the phone as well as on this form. **We will always protect a statutory deadline first and argue about the complaint afterwards.** Nobody should collect a penalty because a complaint was in progress.

Sign and date it, then send it however suits you.

HOW TO SEND IT	WHERE
Email	hello@klyara.com
Post	Klyara, [address]
By hand	Give it to either director
Photograph it	Take a picture of each page and email or WhatsApp it — that is fine

Signatures

YOU	THE PERSON COMPLAINING
SIGNED	PRINT NAME
POSITION	DATE

What we do with what you write here

We use it to investigate and answer your complaint, and we keep it in our complaints register for **six years**. We do not use it for anything else and we do not share it, except with our insurer if it might become a claim, or with our professional body if they ask to see it. Our **Privacy Notice** has the full detail and explains your rights over this information.

For Klyara use

Do not send this page to the client. It stays on the file.

Date received	
How it arrived	*phone, email, post, in person*
Logged in the complaints register on	
Reference	
Handled by	
Date acknowledged	*must be within 3 working days*
Insurer notified?	*yes, no, or not applicable*
If yes, date notified

Stage 1 answer sent	*must be within 10 working days*
Stage 2 requested?	*yes or no*
Stage 2 answer sent	*must be within 20 working days*

Immediate escalation check

☐	Does it allege dishonesty?	Both directors, and the insurer, the same day
☐	Could it become a claim?	Notify the professional indemnity insurer now, not later
☐	Is there a data breach?	72-hour clock to the ICO if it is reportable
☐	Is a statutory deadline at risk?	Fix the filing first, then handle the complaint
☐	Has the professional body been involved?	Both directors, same day

Root cause — what in the process allowed this?

Not who made the mistake. What would have caught it.

What changed as a result, and by when

A specific process change with a date. Not a promise to be more careful.
